Instructors:
Dr. Susie Dai, Research Assistant Professor
Department of Veterinary Pathobiology
Office of the Texas State Chemist
Phone: (979) 845-1121
Fax: (979) 845-1389
E-mail: susie@otsc.tamu.edu

Dr. Tim Herrman, Professor
Department of Soil & Crop Sciences
Texas A&M University
State Chemist and Director
Office of the Texas State Chemist
Phone: (979) 845-1121
Fax: (979) 845-1389
E-mail: jth@otsc.tamu.edu

Course Description:
Quality systems and method development used within a laboratory; ensuring the integrity of procedures used in lab processes, chain of custody, information management, and international laboratory standards; regulatory requirements for laboratory operation; bio-security precautions; laboratory management.

Student Credit Hours: 3

Prerequisites: None

Course Goals
After completing this course, students will possess a practical knowledge of the standard laboratory practices and quality systems required to oversee a scientific laboratory’s quality management program. This course is intended to equip the student with the breadth of knowledge needed to obtain laboratory data and results that are reliable, interpretable, repeatable, and defensible. Students will possess the capability to participate on a laboratory management team including budgeting and forming a technology strategy.

Key Topics
This course will address the following topics:
- Ensuring Validity and Reliability
- Validation of Analytical Procedures
- ISO Procedures and Implementation
- Laboratory Management

Course Tools
All course materials and activities will be presented using the Blackboard Learning Management System. You access Blackboard by logging into http://ecampus.tamu.edu

Before you access course materials, please perform Vista Browser Check by clicking on the Check Browser Support link.

http://regsci.tamu.edu
Technology & Software Requirements
To ensure successful participation, students must have access to:
- A computer that is less than 4 years old;
- High-speed Internet connection (cable/DSL or better) & updated browser;
- Office software such as Microsoft Word, PowerPoint & Excel or equivalent;
- Common plug-ins (e.g., Adobe Reader, Flash Player, virus protection, etc.);
- Microphone and speakers; and
- CD/DVD player/burner.

Software Requirements:
Students must have access to a PC with Excel 2003-2013 (available at http://software.tamu.edu)

Class Readings
Readings are taken from reference materials such as government publications and standards. Most readings are available in .pdf format on the course Web site. Other readings are available online, with a hyperlink provided in Blackboard. You may request a free print copy of the FAO Quality Assurance for Animal Feed Analysis Laboratories manual by sending email to your instructor with a physical mailing address. Local students may pick up a copy from the Office of the Texas State Chemist, 445 Agronomy Road, College Station, TX.

Lecture Presentations
Weekly materials will be presented using a variety of formats, including online slide presentations, audio, and videos.

Discussions
Course discussions facilitate class communication and understanding of topics. If you need an immediate answer to a specific question, please e-mail your instructors directly at susie@otsc.tamu.edu or tjh@otsc.tamu.edu.

Homework Assignments
Homework assignments assess your understanding of concepts throughout the course.

Exams
A midterm and final exam will be administered through the course management system.

Grading
Your grades will be determined as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>&gt; 90%</td>
</tr>
<tr>
<td>B</td>
<td>&lt;90% &gt;80%</td>
</tr>
<tr>
<td>C</td>
<td>&lt;80% &gt;70%</td>
</tr>
<tr>
<td>D</td>
<td>&lt;70% &gt;60%</td>
</tr>
<tr>
<td>F</td>
<td>&lt;60%</td>
</tr>
</tbody>
</table>

http://regsci.tamu.edu
Grading Policy
Class assignments and exams must be completed on the dates set by the instructor on the course website unless prior approval has been granted by the instructor.

Attendance, Homework and Make-up Exam Policy
Due to the participatory nature of this Web-based class, regular log-in to the course Web site is expected. Excused absences are subject to TAMU rules and guidelines please see: http://student-rules.tamu.edu/rule07 for details.

Instructor/Student Communication
Please send all e-mails to susie@otsc.tamu.edu or tjh@otsc.tamu.edu. The instructors will not use the Blackboard Mail Tool. All student communication will be sent via TAMU email accounts (http://gateway.tamu.edu) unless you provide a preferred email address.

Post any questions you have about the material to the discussion board so other students can respond to it and/or benefit from the ensuing discussion. The instructors will read the discussion board and reply to messages when necessary.

University Policies
American Disability Act (ADA)
The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please contact Disability Services, in Cain Hall, Room B118, or call 845-1637. For additional information visit http://disability.tamu.edu.

Copyright
Course packets and all other materials generated and/or used during this course are copyrighted. Because these materials are copyrighted, you do not have the right to copy the course packets, unless the instructor expressly grants permission.

Academic Integrity Statement
“An Aggie does not lie, cheat, or steal or tolerate those who do.”
For more information, read the Honor Council Rules and Procedures at http://student-rules.tamu.edu/aggiecode
